Dear Mr. Tahir,

Greetings,

With reference to above mentioned subject and further to contractor letter

L&T/SEC/4400015168/BUHR/L-065R0 dated 30/06/22 with submitted documents regarding steel structure supplier, kindly be informed that the submitted documents have been reviewed and concluded **all acceptable** based on the following conditions: -

1. All materials indoor shall be galvanized and outdoor materials shall be corrosion and abrasion resistance as per SEC standard.
2. Galvanization certificate & MTC's shall be submitted along with material supply on site.
3. Update all Legal documents.

To : M/S Al Mashariq Co.
Attn. : Ahmed Babiker
Project Manager

Cc : Substation Projects Division, Project West.

Project : Construction of Ferdous 110/13.8 kv Substation- Jeddah
Contract# : 4400007353.

Subject : Request for Metal Works Supplier approval for Al Ferdous S/S Jeddah

With reference to Al Mashariq letter No. L-138 dated 09 July 2017 be informed that the proposed supplier Al- sharek Al- Deam to supply metal work is acceptable based on the following condition.

- All works shall be done by certified staff
- All works shall be done as per PTS/SEC standards and approved construction drawings.
- Mill test certificates (MTC's) shall be submitted with material supply at site.
- Galvanization certificate shall be submitted along with material supply at site
- All outdoor material shall be corrosion and abrasion resistance as per 01-TMSS-01.
- This approval is valid only for structural steel fabrication and installation. Shop drawings shall be submitted before fabrication process.
- This approval is valid for only Al Ferdous substation Jeddah project.
- Approval does not relieve Contractor from his contractual obligations,

This is for your information and further necessary action.

Best regards,

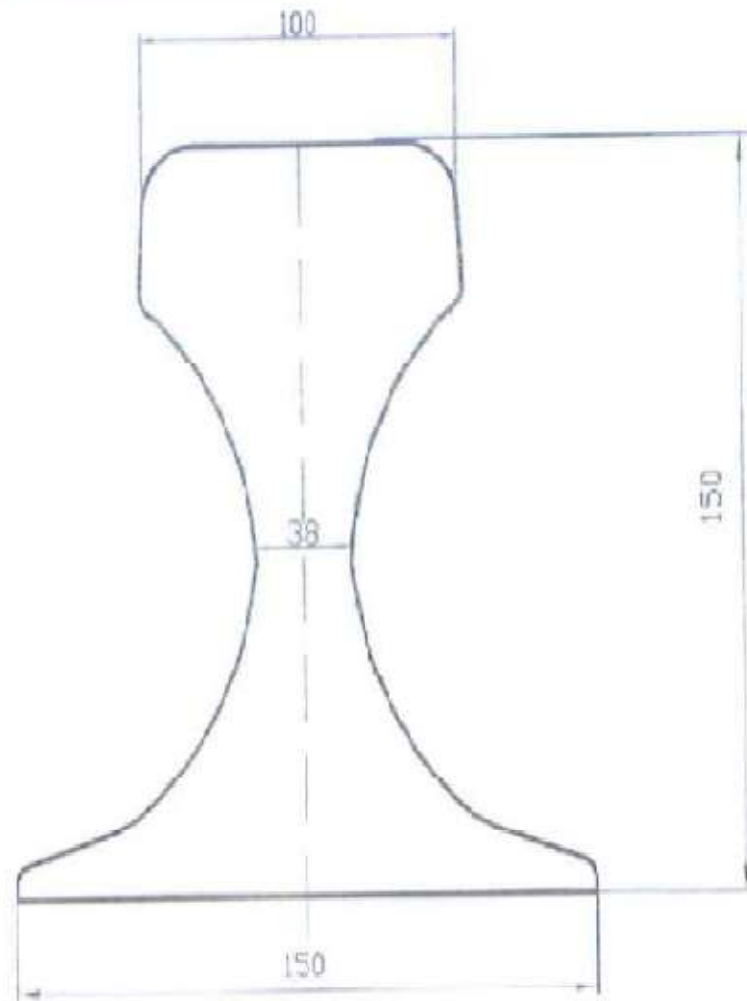

Engr. Abdulmohsin A. Al-Otaibi
